# Introduction

Vietnam Yacht Cruise (VNYC) is a professional yacht operator built on three strategic pillars:

01

## TECHNOLOGY

Digitalised from day one to optimise operations and accelerate growth.

02

## BRAND

Sustainable development towards a national brand representing Vietnam in the region.

03

## SERVICE

Products, services and customer experiences built to international standards.

*"Building a Vietnamese brand of international stature"*

# Vision & Mission

ABOUT US

VISION

Building a Vietnamese brand of international stature

MISSION

Creating the dream of Vietnam's yacht industry

# Business Philosophy – 6 Pillars

ABOUT US

## 01 • CUSTOMERS

VIETNAM  
YACHT CRUISE

## The VNYC Story

*“Last night I had a dream – and it is still right here, in our hearts!”*

With a customer-centred strategy, VNYC enters the charter and tour segments to reach and inspire the market:

- A yacht-expert channel bringing the art of living to customers
- An online yacht booking platform expanding regionally, connecting waterfront destinations
- Five-star yacht programmes within the sharing economy
- Yacht-and-tourism investment advisory unlocking high-potential regions
- A bridge importing world-class yacht lines to Vietnam; diversifying investment channels
- Technology transfer and manufacturing in composite products: floating houses, bungalows, resorts...
